

PSL CRAZY QUILTERS CLAIM CHECK 2024

Make 2 labels by writing your given entry number on a piece of light fabric, approximately the size of an index card, with Black Permanent ink. Use at least 2 safety pins to attach the label directly to the LOWER LEFT corner of the quilt's back. This is all the information the judge uses to complete your quilt's critique.

Pin the second label, using at least 2 safety pins, to the pillowcase or bag near the center of the opening of the pillowcase.

When you fold and pack your quilt and insert into your pillowcase, fold the quilt so the entry number is visible to the volunteers can double check your entry numbers.
